

# Stahls' Hotronix Equipment Manufacturing Limited Warranty

## Coverage

Hotronix® and The MAXX™ equipment manufactured by Stahls' Hotronix® are warranted against defects in material and workmanship. Warranty is void if equipment has been damaged by accident, unreasonable use, neglect, unauthorized and/or improper service, or other causes not arising out of defects in material workmanship. This warranty does not cover damage caused by normal wear and tear or neglect or lack of proper maintenance.

## Duration

The heating element shall be warranted for the life of all heat presses manufactured by Stahls® Hotronix. For Hotronix® brand heat presses there is a five (5) year warranty on major components, two (2) years on the circuit board and a one (1) year on all other components. For all MAXX™ Press brand heat presses there is a one (1) year warranty on the heat press.

## Performance

During the warranty period, and in the event that a situation cannot be resolved by telephone and upon PRE-AUTHORIZATION FROM Stahls' Hotronix®, your Hotronix® and MAXX™ Press equipment must be shipped, freight prepaid, to Stahls' Hotronix® for service. All shipping and insurance expenses to and from Hotronix® service center of in-warranty equipment is solely the responsibility of the customer. Stahls' Hotronix® cannot be held responsible for improper handling or any other damage incurred in transit. No charge will be made for labor and components for repair of in-warranty equipment. OUT-OF-WARRANTY machines will be charged at the repair rates in effect at the time the machine is received.

## Disclaimers

Stahls' Hotronix® shall not be liable for loss of use of Hotronix® equipment or other incidental or consequential costs, expenses, or damages incurred by the original purchaser or any other user. The above warranty provisions constitute the entire agreement between all parties, and supersedes any and all prior written and/or oral representations and understandings.

This "Limited Warranty" applies to all Hotronix® and MAXX™ Press equipment. However, the procedure for obtaining service may vary outside the continental United States.
